INT. DRUG TESTING FACILITY- WAITING ROOM- DAY

ENGLISH ANNOUNCER

And now four men waiting for the
bathroom.

FOUR MEN stand in front of a wall with a mens bathroom sign
plastered on. They are all doing "I gotta pee dances."

Their dances progress further and further until they quickly
become a unison gotta pee ballet. Complete with plie's,
leaps, catches, and other fancy ballet moves. This continues
for about a minute.

FRED exits the bathroom and looks at them all oddly.

They all freeze mid ballet move. The one guy who is holding
another man in the air gently sets him down, clears his
throat, and enters.

The remainders take a bow.

Title card with a fancy script font reads "Fin"
